

Listen, Learn, Watch & Get Inspired.

By those who best embody, The Spirit of Sport!

SFA MUMBAI 2015

Inspirational & Educative Pieces

INTERACTIVE DIALOGUE

Seek wisdom from the ones we aspire to be

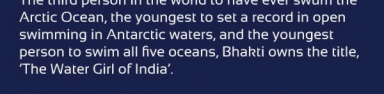

Spirit of Determination

By Nungshi and Tashi Malik

Nungshi and Tashi Malik are the world's first siblings and twins to have triumphed Mount Everest, conquer the highest mountains of each of the seven continents to complete the mountaineering challenge - Seven Summits and successfully complete Adventurers Grand Slam & Three Poles Challenge.

Embodying the spirit of determination, the twins will talk to children on how 'there ain't no mountain high enough' quite literally!

'The Water Girl of India'

by Bhakti Sharma

The third person in the world to have ever swum the Arctic Ocean, the youngest to set a record in open swimming in Antarctic waters, and the youngest person to swim all five oceans, Bhakti owns the title, 'The Water Girl of India'.

Bhakti Sharma, the international open water swimmer will talk to students about challenges, inspirations and her journey as a swimmer.

10 YEAR OLD CRICKET PRODIGY

Musheer Khan

Interact with Musheer Khan, the youngest cricketer to play in the most prestigious cricket tournament in Mumbai (Kanga League), who aspires to bat like his idol Sachin and bowl like Vettori.

This 10 year old maintains a rigorous practice schedule and is an inspiration for those who dream to pursue sports professionally.

EXHIBIT GAMES

Seek inspiration from the bravest

Fencing

By Vibhas Sen

Diagnosed with polio when he was just 3 months old A Champion Wheelchair Fencer today!

Two-Time National Level Para Swimmer and Champion Wheelchair Fencer, Vibhas Sen, to showcase his prowess in fencing and inspire differently-abled children to pursue sports.

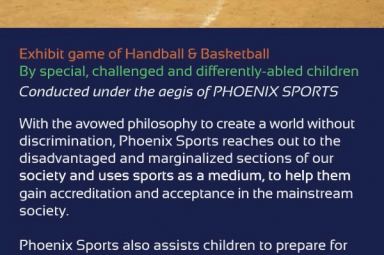

Exhibit game of Handball & Basketball

By special, challenged and differently-abled children

Conducted under the aegis of PHOENIX SPORTS

With the avowed philosophy to create a world without discrimination, Phoenix Sports reaches out to the disadvantaged and marginalized sections of our society and uses sports as a medium, to help them gain accreditation and acceptance in the mainstream society.

Phoenix Sports also assists children to prepare for the Special Olympics to ensure they meet their potential and aspiration!

PERFORMANCES & WORKSHOPS

SEEK ADVICE FROM FIELD EXPERTS

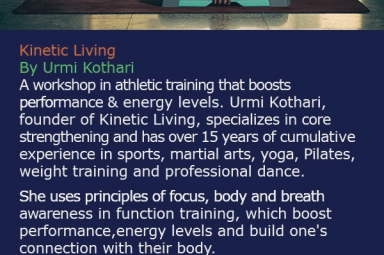

Brazilian Martial Art Form

Capoeira

Capoeira performance by children who have been training under the guidance of Sucuri, founder of Capoeira De Ouro.

Sucuri and his team will also be conducting workshops across the 8 days, to help children explore this non-competitive martial art form.

Kinetic Living

By Urmi Kothari

A workshop in athletic training that boosts performance & energy levels. Urmi Kothari, founder of Kinetic Living, specializes in core strengthening and has over 15 years of cumulative experience in sports, martial arts, yoga, Pilates, weight training and professional dance.

She uses principles of focus, body and breath awareness in function training, which boost performance, energy levels and build one's connection with their body.

Movement Therapy Workshops

By Dilshad Patel

Dilshad Patel, the relentless force behind the performance of elite sports athletes across the world, will conduct workshops on Movement Therapy on all 8 days of the event.

The start to pursue your dream of playing sports professionally
